About Dr. Horst Mueller

Dr. Horst Mueller is an Otolaryngologist (Ear, Nose and Throat specialist) who was born in Romania and studied medicine at the University of Freiburg, Germany. In 2004, Dr. Mueller opened up a private practice in the town of Weinheim, Germany and in the past nineteen years, he studied extensively the relationship between the mind and body, noting the impact of thoughts on health. He has seen on several occasions, health being restored just by using his unique approach to the treatment of disease. His findings have raised awareness and created numerous opportunities to speak around the world. Hear him explain the "Law of Life" in the most practical and simplest terms that can be easily understood.
